Contains no sugar, salt, starch, yeast, wheat, soy, milk, egg, shellfish or preservatives.

Natural color variations may occur in this product.

Do Not Eat Freshness Packets. Keep in Bottle.

Store in a cool, dry place. Please Recycle.

SUGGESTED USAGE: As a dietary supplement, take 1 tablet 1 or more times daily, preferably with meals.

Vitamin C is perhaps the most popular vitamin known to man. It is consumed in a supplemental form by millions of people across the world for its antioxidant properties, which are well-documented in medical research. C-500 provides a potent dosage of this key vitamin and is blended with Bioflavonoids, Acerola, Rose Hips and Rutin, which are natural synergists to Vitamin C.

These statements have not been evaluated by the FDA. This product is not intended to diagnose, treat, cure or prevent any disease.

Some scientific evidence suggests that consumption of antioxidant vitamins may reduce the risk of certain forms of cancer. However, this evidence has been determined that this evidence is limited and not conclusive.
